- PTFE Blend Teflon +Acrylic Sprays
- Metallic Finishes : Copper, Bronze, Gold, Silver, Aluminium, Chrome, Zinc Aluminium finishes
- 600°C Heat Resistant Aluminium Sprays
- Rust Loosners, Rust Preventives , Lubricants
- Complete Car Care Range Products
- Peel Off Coating / Vinyl Spray for Anti-Corrosion
- Electrical Contact Cleaners : PCB Coating Sprays
- Battery Terminal Coating Sprays
- PAINT , VARNISH and Gasket Remover Sprays
- Dye, Developer and Cleaner Sprays for NDT
- Black Magna Ink & White back ground Paint for MPI

Who Can avail of this Offer :

- Powder and Paints Manufacturers :
- Aerosol Marketers :Indian/Foreign
- Powder Distributors / Dealers,
- Aerosol Products manufacturers looking for Expansion and for additional products
- Foreign firms wanting to set-up their manufacturing facility in India

Space & Other Infra-Structure Requirements

For a Production capacity of 2000 to 2500 cans per shift , approx 5000 Ft Sq Space is required for Storage of Raw materials, Finished Goods , Processing Area , Despatch Station , R&D or Analytical and QC Lab etc.

Power Requirements :

- Compressor : 5 Hp
- Other Pneumatic Machinery : 5 Hp
- Flame-Proof Electrical Fitting in the Plant

Initial Investments :

Apart from Land and Building the following investment, at the current prevailing prices are as under : Machinery Prices quoted are Ex Mumbai / Pune Mfgs Location. P&F forwarding, Freight, insurance will be Extra at actual.

VISIT TO OUR PLANT and complete observation of PLANT FUNCTIONING is permitted on payment of 10% KNOW HOW TRANSFER FEES paid in advance. These charges are adjusted against the Know-How fees, once the buyers takes a positive decision.

Plant & Machinery (ESSENTIAL) Approx 6-8 Lacs
Plant & Machinery (Optional) Approx: 02 Lacs
Plant & Machinery Erection Charges : Rs 50000
Electrical & Flameproof fittings : At actual cost
CONSULTATION and KNOW HOW Fees : Rs 100000
 (These charges will include Supply of Mfg formulation for any three MRO Products, 2 DAYS of Plant commissioning and Production Training at the buyers plant in India. Quotation for Paint Shades. Additional Aerosol Products can be offered separately for our Formulations transfer fees .
