**Sub : Offer for AEROSOL TOUCH UP PAINTS for Powder Coating / TECHNICAL KNOW HOW for PTP Chemicals:**

Dear Sir : **PROMTECH Consultancy Group** is in the business of mfg of pure **ACRYLIC AEROSOL PAINTS** for Touch UP of Powder coated and Painted Areas. **Promtech Directors are in Metal Finishing Chemicals Manufacturing business for 36 years, are Technical & commercially trained in Europe / America. Promtech Consultancy is one of the most respected Group in India in this field of CONSULTANCY OFFERS for START-UP activities for creating NEW GENERATION BUSINESS OWNERS.**

Promtech consultancy has decided to offer, at a very reasonable one time Fees, the manufacturing Process Know How of the Select Metal finishing Chemicals. It must be noted clearly that **50 to 55 % Components in many of these products is WATER.** You as a Buyer, is forced to pay heavy cost for Water and its transportation, octroi , VAT + minimum 40 – 50 % Profit Margin of the PTP Chemicals Suppliers. **Hence if YOU manufacture these Chemicals in-house, you will REDUCE YOUR PTP CHEMICALS purchase COST by more than 50% for every Purchase and this will be your ADDED PROFIT Every Month.** All these products are essentially **COLD MIXING & Batch Sizes** can be 30 Litres to 500 litres depending on your monthly consumption, The Batch Completion time will be between 30 to 60 min. As all the reactions are Spontaneous Ionic reactions, **NO POWER, NO SPECIALIZED eqipmts** are needed for production The Batches can be produced in Plastic Buckets, HDPE Carbuys or 100 / 200 Ltrs TOP CUT HDPE Drums. **By purchase of READY MADE FORMULATIONS; There is NO LOSS OF TIME , MONEY, Human Efforts, Expenses on Chemists, Expenses on Lab chemicals, normally incurred in research & Development of Products /Formulations of PTP Chemicals . This Results into very substantially Savings EVERY month . READY MADE FORMULATIONS with Definite SEQUENCE of Addition of ALL LOCALLY AVAILABLE RAW MATERIALS will make the manufacturing very simple. YEILD is 100% and there are NO EFFLUENTS.** Performance of ALL Products is Guaranteed. **Your Pay Back Period for your investments in the Consultancy Fees will be between 3 to 12 months depending on your monthly purchase quantity for each chemical.**

We will provide complete **TECHNICAL/COMMERCIAL Information by Emails.** In case any Party wants an Initial Personal TECHNICAL Discussions ON ANY PRODUCT Know-How with us, can be held in our THANE / PUNE Office, against a **Pre-Payment of CONSULTATION FEES of Rs 5000** to be paid in Advance thro RTGS BANK TRANSFER by the Prospective Buyer / Party. On finalization of the Product Know How deal, this fee of Rs 5000 will be adjusted against Final Know-How Transfer Costs. If the buyer does not proceed with any know-how purchase deal, the above fees will be treated as TECHNICAL CONSULTANCY CHARGES.

**Zinc Phosphating Chemicals : For Seven Tank Process : For Powder Coaters : For Paint Shops : COLD Mixing : No Machinery : No Power : No Effluents : 100% Yeild : Max Space Required 200 Ft<sup>2</sup> : Local RM**

- **Technical Data Sheet : drafting for your Products :** **Rs 2000 per product**
- **MSDS Preparation for Your Products** ( Information to be given by you ) : **Rs 2500 per product**

All Services required by you, will have to be paid for in advance thro RTGS Bank Transfer.

**SALIENT FEATURES / ADVANTAGES :**

**START YOUR BUSINESS FROM DAY ONE :** Initial investment in Raw materials and Manufacturing will be as low as Rs 25000 ( For lowest Scale of manufacture ) : Ready End user Market : All Products are COLD MIXING Formulations : No Power Required : NO EFFLUENTS Generated : Minimum Labour needed . All Locally Available Raw Materials ( Basic chemicals ) : Time Tested and proven Standardized Product Formulations : Buyers from all industrial manufacturing sectors : Lowest Pay Back period : High returns against concetric and dedicated Marketing Efforts : ZERO TIME LOST in PRODUCT DEVELOPMENT And Research . You save on YOUNG AGE, TIME, ENERGY & MONEY by purchasing Standard Product Formulae.

**Cost of Detailed Technical Project Report :** We normally offer all the detailed Technical and Commercial information thro Standard Information Emails **FREE OF COST.** In case YOU needs a Project FEASIBILITY report to be submitted PRIOR to YOUR purchase of Formulations from Promtech ; such project report will be offered against an advance payment of Rs 2500 for every specific Product.

**PERSONAL- CONSULTANCY CHARGES : For Your visit to our Thane office // PUNE Factory :**

**Charges for witnessing PRACTICAL PILOT PRODUCTION BATCH DEMOSTRATION of or PRE TREATMENT CHEMICALS** at our MIDC Pimpri Pune Plant is **Rs 5000 paid in advance.** You can witness PILOT batch 10 Kgs / Ltres batch & you can video shoot mfg process .You will also be offered 5 Kgs **Free batch sample** for your testing.

**PERSONAL CONSULTATION Charges for Techno-Commercial Discussions by YOUR to our Thane / Pune office :** fees of **Rs 10000** is payable thro RTGS bank transfer in Advance. These charges will be credited to you in case of any actual Know-How transfer deal is finalized by you.

**Charges for PERSONAL CONSULTATION on Techno Commercial Feasibility of AEROSOL PAINTS / PRODUCTS** at our Thane office : **Rs 10000 payable thro RTGS Bank Credit:** Charges for witnessing the functioning of aerosol Filling plant operations ( No Video Shooting ) for a ONE HOUR Visit to our Navi Mumbai, Rabale facility, This will be arranged against the **fees of Rs 12000** payable in advance thro RTGS. This amount will be adjusted in our total offer for Plant or Product supplies in case you finalize your order.

**Our Visit to your Plant :** In case you want us to visit your plant for Any Technical Discussions, Know-How Transfer or recommendations in your process : Our Visit Fees are Rs 15000 + Too & Fro Air Fare + a decent 3 star Hotel accommodation + All food Expenses for two days + Airport Transfers charges are payable in advance Thro RTGS bank credit. For customers in Mumbai // Thane , we will mention the Conveyance charges separately.

**PAYMENTS : All Know HOW Fees are payable in ADVANCE by CASH or Thro BANK TRAFER CREDIT ( Pradeep Vaidya : ICICI Thane Vartak Nagar Br : SB A/c No : 026801505350 RTGS Code : ICIC0000268 )**

The Know-How Project Report with all details will be Sent to you by Email on **your given Email ID** , in PDF Format within 2 days from the date of receipt of your payment into our Bank Account. This Project Report will become your property , which you will be use to use as per your desire. For all Further details on the projects, Please Contact with your complete contact details: ENOUGH TECHNICAL APPLICATION Details on all our offered products is seen on our Website : [www.promtechaerosol.com](http://www.promtechaerosol.com)

**AGENCY OFFER :** We offer all our products at a DEALER DISCOUNT PRICE (Ranging from 15 to 30%) to hardware Firms , Off-Shore Supply Firms , Traders & Industrial Supply firms . **The Discounts are QUANTITY Based & are also subject to Minimum Quantity Orders.** Details will be offered against your Email. Thanks & Warm regards :
